Bed Recipe

- Use layers, textures and color to make the bed inviting and photogenic.
- Use white sheet for crisp, fresh look.
- Fold the sheets down over a blanket and tuck in sheets and blanket.
- Use a bed skirt that goes all the way to the floor - no 'high waters'.
- Triple-fold a comforter at the foot of the bed and possibly add a throw.
- Use Euro shams (24" square) for the back row. Stand vertically.
- Next use standard shams or bed pillows.
- Finish it off with a set of three throw pillows in front.
